28th September 2018

Dear Parents & Carers,

On Saturday 13th October, we are asking for the school community to join us in a work party, to improve on our nature garden.

Please arrive from 9.30am and we will meet just outside the nature garden, on the right-hand side of the playground. We will be working until 12.00pm. There will be several mini projects going on and something for everyone to lend a hand at, including:

- Weeding
- Digging up brambles
- Cutting back trees and bushes
- Clearing dead leaves and duck weed from the pond
- Strimming long grass
- Decorating the wire fence

We are on an increasingly tight budget and all of the above cannot be done without kind donations. If you are able to provide any of the following, we would be most grateful:

- Quality weed-proof membrane
- Bark chips
- Logs (ideally 30 log cylindrical seats for a class)
- Roofing felt for the small shed
- Garden twine
- Colourful wool
- Ribbon
- Rakes
- Cordless strimmer
- Spades
- Shovels
- Garden forks
- Gardening gloves

If you are able to bring working tools, such as wheelbarrows, rakes, spades, shovels, forks, garden sacks, secateurs, shears and a cordless strimmer it would be a great help. Please also remember to dress appropriately and wear gloves to protect your hands. Children must be supervised at all times.

If you are able to help, please do let the school office know.

Kind Regards

Mrs C Hamer

Science Coordinator
Nature Garden and Outdoor Learning Coordinator
