

What makes Wildmoor Heath special?

A school of Everlasting  
FUN!

Wildmoor Heath is the best school ever.

All the teachers are very clever.

We learn how to write and we learn the time.

We scream, we shout we sing some rhymes.

My friends are the best they are better than the rest.

The food is nice, and it's at a great price.

We write stories line after line and altogether  
we made up this rhyme.

When the clock strikes midnight we're all asleep.

Next morning comes round and take a peek.

We are working as hard as can be.

We're working together just you and me.

So that's our rhyme now you know it maybe  
next time you can tell it!
