

What Makes Wildmoor Heath School Special REACHING for our BEST

By Emily Croll

The Teachers

Wildmoor Heath School is special to me because the teachers know all the children by name. They plan very exciting lessons which help us to learn in a fun way. The teachers are kind and caring to everyone and give lots of chances to improve behaviour.

The Clubs

At Wildmoor Heath School there are a number of clubs to join. This starts with Breakfast Club (if your parents need to go to work early). During the day, there is sometimes the chance to go to choir. After school, there are a few choices, like, rugby, sewing club or Carnival club also After School Club (if your parents work long hours). We have the school council which make important decisions about the school. They come up with excellent ideas to raise money for the school and the local charities we support.

Fun Activities within School

Our teachers organise lots of competitions for us, for example The Young Authors Competition and Buddys Meanful Maths. These help us to improve our skills with rewards for the winners! The Bike It Crew encourages us to cycle or scooter to school to help us keep fit. Every week on Friday, someone from each class is chosen to be Star of the Week. They stand up in assembly and receive a certificate and a sticker, then, Mr Strudley (our Head Teacher) tells everyone why they have been chosen.

Sports Day

Sports Day is a fun day with loads of sporty activities all day. We compete against other houses (there are South Hill, Wellington, Sandhurst and Easthampstead) and if we do well, we get more points for our house. We earn points all throughout the year by behaving well, producing excellent work and showing the school values. These points are all added together and the winning House is presented with a trophy.

Our Field

Our field is ginormous! We have lots of climbing equipment: the castle, the spider monkey and the monkey rings. We also have a cricket strip to play cricket on. At school we have football goals so everyone can play football.

For all of these reasons, this is why Wildmoor Heath School is special to me!

Come to WILDMOOR HEATH SCHOOL!!
