What makes Wildmoor Heath special?

Dear diary,

Today at school was spectacular - like every day is, I know that as I have been at Wildmoor Heath for every year there is. I'm nearly in Y6, which is fantastic although when I have to move into Secondary School I'll miss Wildmoor, lots of it.

We went to Oakwood today. Oakwood is an adventure playground where students go, in Y5 it is great fun. If you love thrilling things, like myself, you'll love Oakwood! On the other hand, Oakwood isn't the only fabulous experience I've done. Some ^{places} people from my class and school, of course me as well have been to and done are:

- Choir shows
- Lion King (theatre)
- Numerous sport tournaments (rugby, football, netball)
- Wentworth (a golf place)
- Oakwood (adventure playground)
- Swimming (in Y3)

- Along come men. (singing and dancing)
- Horse court (a 3 night trip)
- Lots of different shows at the theatre
- Houses of Parliament (:)
- Lots of different clubs (Choir, Sewing club, Film club...)

And loads more.

→ At Wildmoor Heath School we have something called values which we should all follow here they are...
