The Wildmoor rap of Rhythm
and Rhyme

Wildmoor heath goes on and on,
And altogether we act as one,
one person, one class, one school,
when we work together we learn it all,
from Rhythm and Rhyme,
to maths and time!

We've got clubs about Rugby and Sewing,
clubs about those things worth knowing,
Teachers at our School,
are awesome and so cool,
They are really kind,
they like to work your mind,
so go on come and call,
at our fantastic school,
to ask if you can do,
all those things you want to!

The lessons on the board,
are harder than you thought,
but you will learn
and you will earn
those brilliant awards!

So if you never give up,
then you will find good luck,
So go on come and join,
the magic and the fun,
it really is amazing,
you'll love it everyone!
