

Wildmoor Poem - What's special about it?

Wildmoor is a brilliant place to be, even when your learning you'll shout "WHOOPEE!"

It's an awesome place, the teachers are ace, when someone does something wrong, they're sent home in disgrace.

Students go to school, they swim in the pool and they play football.

Broadmoor school was made, the teachers get paid, kids get good grades enough to make their moms yell "HOORAY!"

When students receive their writing paper, in 20 mins they finish and the teacher couldn't believe it!

The rule is writing sums, breaking the rule is biting and eating gum.

It is a promotion in writing in a neat motion

Teachers expect good process on work that you achieve success.
