

What makes Wildmoor Heath School special?

Wildmoor Heath School is awesome! I always get excited when it is time to go to school because I get to see my teachers and friends.

Wildmoor Heath is a very unique school; all in all. It's a superb place where everybody feels happy and safe. You can make friends and learn new things. When one is at school, a lot can be accomplished. I am enchanted to attend such a great school. I cherish my school and I feel very lucky to be here!

I shall be writing about the things that make Wildmoor Heath such a special place!

Teachers

Teachers at Wildmoor Heath are very energetic. They are very nice and always make you feel special and welcome. My teachers try every angle and every strategy to help us succeed. They love to talk and listen to the children and can say anything with a smile and a positive spin. They know the work is

challenging and are always encouraging the classes to try their best. The Year 6 and Year 2 teachers have especially tried their best by helping the students for the SATS. I am sure this hard work will be revealed in the results we are all awaiting for. This is the first time Year 6 has faced the new 2016 National Curriculum.

School Trips

One of the things that I enjoy at Wildmoor Heath is the variety of school trips. In every year, you will always have something awesome to do. This year, it has been extremely amazing for Year 6 because we went on a residential trip (for a week) to Rhos y Gwaliau in Wales (near the famous Lake Bala). We did lots of activities such as: mountain climbing, gorge walking, beach scrambling, going for a relaxing walk in the countryside and exploring underground in a mine!

We have also been to amazing places including The Globe Theatre in London as well as Wellington

College. Going to Wildmoor Heath is remarkable and I have gained lots of experiences that I will never forget. These trips were supreme: moments of pure bliss.

School Uniform

One of the positive features of Wildmoor Heath is that the school has a fabulous school uniform in which we all take pride in!

I love school uniforms because they are a good way of identifying which school you are at. Above all, it makes me feel honoured and gives me a real taste of being smart.

Responsibilities

Wildmoor Heath is outstanding because the school has got voted School Council members, Peer-Mediators and a Bike It Crew; all of which I am part of! These people get to make big decisions and have a chance to make the school better.

I have now spent seven fantastic years at Wildmoor Heath and it will be with great sadness in my heart, that my time here will soon come to an end! I will miss this school so much.

To say goodbye to Wildmoor Heath School
Will never be simple

But always tough

Words will never prove

To be enough

As this place is so special in my heart

It will always be

Embossed in my mind and memory.
