

## What makes Wildmoor Heath special?

With fun staff and friendly children school makes me feel good!

It's always exciting when you go on school trips...

Learning is interesting and the topics are stimulating.

Doing our best in everything we do.

Music and singing and the joy they are bringing ROCKS!

Our values are represented by every one in school.

Oh its lunch time and the hot dinners are scrummy.

Ready for adventure when we walk in the heath.

Happy children ride their bikes and scooters to school.

Every one is individual in there own way.

Assemblies are good when people come to share there stories.

There is swimming in year 3 which is fun for pe.

House competitions are fun and exciting.

ICT and IPC are my favourite lessons.

Sunday is great, it makes learning easy.

Starry night art work was fun to do.

Pictures and art brighten up every ones day.

Epic olympic fun gets you on the run.

Courageous children try out new things.

In classes learning always gets done.

All children have lots of fun.

Lots of children love this school!
