What makes Wildmoor Heath School special?

When the bell goes it all begins.....

I go into school with a big ginormous grin!

Learning is made fun by the teacher's plans,

Don't be naughty or you will have NO FANS!

More to learn and more to see,

Outside and inside you will be.

On the playground smiling faces,

Roaming lunchtime controllers in different places.

Hungry children making a loud din,

Eating food and forgetting to put it in the bin!

After lunch the children go back to class,

The children in Year 4 are learning brass.

Home time has come, all the children happily on their way,

It's another Wildmoor Heath Special day!
