

What makes Wildmoor Heath School special?

I love Wildmoor Heath because it's an amazing place to learn and make new friends.

Lessons:

I like my school because it has some cool teachers who make the lessons interesting and really make ^{you} want to work hard. We have loads of exciting subjects especially Maths, Literacy and Guided Reading, which I love ~~to~~ doing.

Teachers:

The teachers and staff are very kind, helpful, thoughtful and caring. They teach interesting lessons and are really funny! I like going on school trips because it makes it even more exciting. I can't wait for my next teacher in Year 3!

This year, I have also enjoyed going to Brooklands Motor Museum. This trip was amazing and I have learnt lots, especially about the different types of transport.

Friends:

Meeting new friends is cool because you get to know them. Wildmoor Heath is a very friendly and warm place.

Star of the week assemblies:

I love being Star of the Week because it is a huge achievement. I have been Star of the Week twice this year and this has made me very happy. It tells people who have shown the REACHING values!

by the school librarians. I love to read books and mostly those about rainbow fairies which there are loads of that Daisy Meadows has wrote.

Play equipment:

My school has lots of playing equipment. We have fixed play equipment (monkey bars, stepping stones, castles, shelters and basketball nets) and we have really enjoyed it!

These are the reasons why I think Wildmoor Heath School is very special and it is great to be part of it!
