School Website

<https://www.wildmoorheath.org.uk/Children/Year-6/>

The class page, which is accessible via the school website, will be updated regularly.

We will also provide information about the maths and reading strategies that we will be using in class so that you can support your child with their home learning.

Home Learning

Each week your child should:

- Read daily (in their heads and aloud);
- Practise spellings daily ([Spelling Shed](#));
- Practise times tables daily (using [Times Table Rockstars](#) as well as other methods).

Set tasks

- Once a week, the children will also receive one short writing or maths task to complete (set on Thursday and due on Tuesday).
- New spellings are sent home on a Friday to learn throughout the week and the test is the following Friday.

Home Learning

In addition, the most important thing you can do is to continue to read to your child throughout primary school.

By reading to your child several times a week, they will have access to literature beyond their reading age, which will develop their knowledge and vocabulary, improving their reading comprehension.

PE

- **Our PE lessons this term will be on Monday and Thursday afternoons.**
- **Please can you ensure that your child's PE kit remains in school throughout the week and that all items of your child's kit are named.**
- **Any earrings must be removed for PE and long hair needs to be tied back.**
